2014 - 2016

- Continued leading the campus-wide VoIP phone system migration
- Automated daily tasks for Avaya PBX
- Installed and managed Cisco infrastructure, including analog voice gateways
- Migrated Avaya analog lines to Cisco SCCP, MGCP and H.323 ports

Co-lead the campus-wide VoIP phone system migration at Cal Poly Pomona

2014

- Set up a system for automating Cisco Unified Call Manager population
- Automated information gathering from Avaya PBX

Instruction & Information Technology at Cal Poly Pomona

2013 - 2014

- Troubleshoot and repaired laptops, desktops and printers
- Organized, documented and inventoried computers and other hardware

Collegiate Cyber Defense Competition at Cal Poly Pomona - Linux team

2012 - 2014

- Secured, maintained and defended simulated networks and servers from intrusions
- Worked on the Linux team and collaborated with other teams: Windows, Network Infrastructure and Business
- Performed system audits and composed reports and presentations for the simulated company and its representatives
- Practiced building and securing services and servers with the team (15hrs/week)
- Wrote documentation for to be used by team members during the competition

Data Recovery Technician, Internship at Drive Medics Data Recovery

2010 - 2012

- Assisted clients in the data recovery process, performed data recovery and forensic services
- Used proprietary hardware and software in the data recovery processes
- Maintained servers and the local network, set up websites and blogs
- Developed and maintained a hard drive inventory program with barcode and photo integration

Relevant Coursework

Operating Systems
Telecommunication Networks
Web Development
Database Systems
Advanced Java
C++
Data Structures & Algorithms

Extracurricular Activities

General Amateur Radio license holder since	2016
President of <i>Interactive Web Development club</i> at <i>Cal Poly</i>	2014
Treasurer of <i>Interactive Web Development club</i> at <i>Cal Poly</i>	2013 - 2014
Treasurer of <i>Students with Interest In Future Technologies</i> at <i>Cal Poly</i>	2013 - 2014
Canyon Crest Academy team at <i>SAIC/UCSD Cyber Defense</i> Computer Security Contests	
• Second place team	2008
• First place team	2007
